Reporting Period 01/01/2014 - 12/31/2014

General Comments:

The County continues to work with USA Properties Fund, Inc. to construct a 64-unit affordable townhome development in North Auburn. USA Properties obtained affordable housing tax credits and has formally purchased the property from the County. Work is expected to begin spring 2015.

With an improving real estate market, a number of Specific Plans and General Plan Amendments are being processed by the County. Each will be required to have an affordable housing component.

Applications for two farmworker housing units have been received and approved thus far.

The County is helping to fund a workforce housing needs assessment for the North Tahoe region. One of the key deliverables will be an estimate of workforce housing needs and recommendations to further the goals of enhancing the availability and affordability of housing for the area's workforce.
